Managing Director's Letter

Dear Members,

I hope this letter finds you well. Today, I want to address our company's recent financial performance and share some important thoughts with you all. As many of you may be aware, our latest financial report shows that we have incurred a loss, a significant shift from our previous profitable position. While this news may be concerning, I want to assure you that we view this as a temporary setback and an opportunity for growth and improvement.

First and foremost, I want to express my gratitude for your continued trust. Our strength as a company lies in our people, and your efforts during these challenging times are deeply appreciated.

We have already begun a thorough analysis of the factors that led to this loss. Our leadership team is working diligently to identify areas for improvement and develop strategies to return to profitability. We are confident that with targeted adjustments and your continued support, we will overcome this hurdle.

Looking ahead, we see numerous opportunities for growth and innovation. We're investing in new technologies, exploring untapped markets, and streamlining our operations to enhance efficiency. These initiatives, combined with our collective expertise, will play a crucial role in steering us back to a profitable course.

I want to emphasize that this situation, while challenging, is not uncommon in the business world. Many successful companies have faced similar obstacles and emerged stronger. I am optimistic about our ability to do the same. In the coming weeks, we will be organizing department meetings to discuss our plans in more detail and to hear your valuable insights. Your ideas and feedback are crucial as we navigate this period of change.

Remember, we are in this together. Our resilience, creativity, and teamwork will be our greatest assets as we work towards a more prosperous future.

Thank you for your unwavering commitment to our company. I have full confidence that together, we will turn this situation around and achieve even greater success.

Regards,

Global growth came in stronger-than-expected in 2023, driven by the US economy, other emerging markets, and developing economies. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by

the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	How the matter was addressed in our audit
<p>First Year Audit Transition</p>	<p>A first-year audit engagement involves zero basing of key audit considerations like understanding of company-specific risks, controls, policies, and processes in order to develop an audit strategy and audit plan. In view of the significance of the matter, we applied the following audit procedures in this area, among others, to obtain sufficient audit evidence:</p> <ul style="list-style-type: none"> - Preparing a detailed transition plan to enable us to analyze the strategy, risks, internal control measures, and the impact on the Company's accounting policies. - Reading audit documentations and the procedures followed by the predecessor auditor. - Understanding the company's significant accounting policies by reading audited financial statements for the year ended March 2023. - Performing initial audit procedures to obtain sufficient appropriate evidence regarding opening balances and consistent application of accounting policies as per SA 510. - Based on the knowledge gained through these procedures, we planned our risk assessment and determined the scope and coverage for the audit.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating

effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements, and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2024, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

The Company uses accrual basis of accounting in preparation of financial statements except in case of significant uncertainties. The standalone financial statements are presented in Indian Rupee (INR), which is also the functional currency of the Company. The standalone financial statements have been prepared on a historical cost basis, except for certain financial instruments that are measured at fair value. The financial statements are prepared on a going concern basis as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources.

Presentation of financial statements:

The Company presents its Balance Sheet in the order of liquidity. The Company prepares and presents its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows'. The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only where it has legally enforceable right to offset the recognized amounts and the Company intends to either settle on a net basis or to realize the asset and settle the liability simultaneously as permitted by Ind AS. Similarly, the Company offsets incomes and expenses and reports the same on a net basis where the netting off reflects the substance of the transaction or other events as permitted by Ind AS.

Summary of Significant Accounting Policies:

This note provides a comprehensive list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

i) Revenue from Operations:

Revenue is recognized based on Ind AS 115, which involves identifying contracts with customers, determining the transaction price, allocating it to performance obligations, and recognizing revenue upon completion of these obligations. Revenue is recorded net of variable considerations like discounts and schemes. Non-cash consideration is recognized at fair value.

Dividend income is recognized when the company's right to receive payment is established.

Income on non-performing assets is recognized based on the Reserve Bank of India's Prudential Norms and accounted for in the year of realization.

ii) Current versus Non-current Classification:

The company presents assets and liabilities in the balance sheet based on current/ noncurrent classification. An asset is treated as current when it satisfies any of the following criteria:

- Expected to be realized or intended to be sold or consumed within normal operating cycle.
- Held primarily for the purpose of trading.
- Expected to be realized within twelve months after the reporting date, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle liability for at least twelve months after the reporting date. A liability is treated as current when it satisfies any of the following criteria:
 - Expected to be settled in the company's normal operating cycle;
 - Held primarily for the purpose of trading;
 - Due to be settled within twelve months after the reporting date; or
 - The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.
 - Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments does not affect its classification. Current liabilities include the current portion of non-current financial liabilities. All other liabilities are classified as noncurrent.

The Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

iii) Use of Estimates and Management Judgements:

The preparation of financial statements requires management to make judgements, estimates, and assumptions affecting the reported amounts of revenues, expenses, assets, liabilities, and disclosures. These are based on historical experience and other factors considered reasonable. Actual results may differ from these estimates.

iv) Property, Plant & Equipment & Capital Work in Progress:

Recognition and measurement Property, plant and equipment are tangible items that are held for use in the production or supply for goods and services, rental to others or for administrative purposes and are expected to be used for more than one period. The cost of an item of property, plant and equipment is being recognized as an asset if and only if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The PPE has been stated at cost less accumulated depreciation.

Intangible assets are recognized when it is probable that the future benefits that are attributable to the assets will flow to the Company and the cost of the assets can be measured reliably. Intangible assets acquired separately are measured on initial recognition at cost.

Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Depreciation has been provided on WDV Basis Method

v) Inventories:

- Inventories of shares and securities are valued at the lower of cost or market value as of March 31, 2024.

vi) Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Interest -

Income Interest income from a financial asset is recognized when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend Income -

Dividend income is recognized when the Company's right to receive the dividend is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably i.e. in case of interim dividend, on the date of declaration by the Board of Directors; whereas in case of final dividend, on the date of approval by the shareholders..

vii) Expenses: All expenses are accounted for on an accrual basis.

viii) Financial Instruments:

basis of its business model for managing the financial assets and contractual cash flow characteristics of the financial asset

(Note no. 13 to the financial statements).

x)Other:

- a) Loans and advances are stated net of provisions for non-performing advances.
- b) Balances of various parties are subject to confirmations.
- c) The company has not entered into any lease agreement, therefore, provisions of Indian Accounting Standard-116 on 'Leases' are not applicable.
- d) To the extent information available, there were no outstanding dues towards small scale or ancillary undertaking as on 31.03.2024.

- f) The advance received or given is without any stipulation of board of directors regarding them in nature and period for which they are given or received.

xi) Taxes:

Provision for tax on income for the year (i.e. Current tax) is made after considering the various Deductions/relieves admissible under the Income Tax Act 1961 as per the normal provisions of the act. Deferred tax assets are recognized as per the conservative approach. Keeping in view the current year losses of the company, net deferred tax liabilities have not been recognized in accordance with Indian Accounting Standard IND AS-12- "Accounting for taxes on income" issued by the Institute of Chartered Accountants of India".

xii) **Provisions:**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit or loss net of any reimbursement. Provisions are not recognized for future operating losses. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. As mentioned in the notes to account no. 38, the management has stated an amount of Rs. 42.11 lakhs as contingent liability.

Contingent asset is not recognized but disclosed, when possible, asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

xiii) **Cash flows** are stated using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of incomes and expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.
