Managing Director's Message

Dear Stakeholders,

It gives me great pleasure to share with you an overview of our performance for the past financial year. I am encouraged to report that we have made notable progress in our journey towards financial stability, with a significant reduction in losses as compared to the previous year.

This improvement reflects the collective efforts of our team, our focus on operational efficiency, and a disciplined approach to cost management. We have taken deliberate steps to streamline our processes, strengthen internal controls, and prioritize areas that deliver long-term value.

While challenges remain, the decrease in losses is a positive indicator that we are moving in the right direction. It demonstrates that our strategies are beginning to yield results and reinforces our commitment to continuous improvement.

Looking ahead, we remain focused on building a stronger, more resilient organization. With a clear roadmap in place and the support of all our stakeholders, we are confident of continuing this upward trajectory.

I would like to extend my sincere gratitude to our employees, partners, customers, and shareholders for their continued trust and support.

Sincerely,

Rajesh Kumar Pandey

EXPLANATORY STATEMENT

ITEM NO. 3 (Appointment of Ms. Sushila Aggarwal as Director)

The Board of Directors appointed Ms. Sushila Aggarwal as an Additional Director on 2025 under Section 161(1) of the Companies Act, 2013. As per the law, she can hold this position only till the date of the Annual General Meeting (AGM).

Ms. Aggarwal has agreed to act as a director and confirmed that she is eligible and not disqualified under the 149(6),164 of the Companies Act. She has also submitted declarations confirming compliance with applicable laws, including SEBI regulations.

An Independent Director must have relevant expertise, experience, and meet the statutory independence criteria. The Director fulfils these through professional experience, governance knowledge, and independent judgment, contributing effectively to strategic decisions. Their skills and integrity ensure objective oversight and protection of stakeholder interests.

Her profile and required details are attached to the AGM notice. The Board recommends her appointment as a Non-Executive Independent Director for approval by the shareholders. No Directors, Key Managerial Personnel, or their relatives except Ms. Aggarwal, have any interest in this resolution.

ITEM NO. 4 (Appointment of Secretarial Auditor)

According to Section 204 of the Companies Act, 2013 and applicable rules, companies must appoint a Secretarial Auditor. Based on the Audit Committee's recommendation, the Board has approved appointing V. Agnihotri and Associates, led by CS Vaibhav

VIGIL MECHANISM/WHISTLE BLOWER POLICY

The Company is committed to the high standards of Corporate Governance and stakeholder responsibility. The Company has established a vigil mechanism to be known as the 'Whistle Blower Policy' for its directors and employees, to report instances of unethical behavior, actual or suspected, fraud, or violation of the Company's Code of Conduct. The policy aims to provide adequate safeguards against the victimization of whistleblowers who avail of the mechanism and also provide direct access to the Chairman of the Audit Committee, in appropriate or exceptional cases.

PREVENTION OF INSIDER TRADING

The Company has adopted a Code of Conduct for Prevention of Insider Trading in accordance with the provisions of the SEBI (Prohibition of Insider Trading) Regulations, 2015, as amended from time to time. The objective of the Code is to regulate, monitor, and report trading in the Company's securities by its directors and designated employees.

The Code mandates pre-clearance of trades in the Company's securities and strictly prohibits trading while in possession of Unpublished Price Sensitive Information (UPSI). It aims to ensure transparency, fairness, and accountability in securities trading by persons having access to UPSI. To ensure compliance, a Structured Digital Database (SDD) has been maintained as per the requirements of SEBI and NSDL PAN blocking functionality. The Board of Directors oversees the implementation of the Code, and all designated persons have submitted compliance declarations for the financial year under review.

BUSINESS RISK MANAGEMENT

Business operating risks have been identified as a principal area of concern. To safeguard long-term interests and ensure sustainability as a going concern, a comprehensive risk management strategy is in place.

The strategy aims to proactively identify, assess, and mitigate potential risks that could adversely impact the Company's operations, performance, or growth. The Risk Management Strategy, as approved by the Board of Directors, is effectively implemented by the Company's Management and is reviewed periodically to adapt to the evolving business environment.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Industry Structure and Developments

The Non-Banking Financial Company (NBFC) sector continues to play a critical role in India's financial ecosystem by serving segments that are often underserved by traditional banks. During FY 2024–25, the sector witnessed a gradual recovery despite global economic headwinds, inflationary pressures, and fluctuating interest rates. The RBI's continued regulatory support and focus on liquidity management contributed to strengthening the sector's resilience.

India's GDP growth moderated to 6.5 per cent in 2024-25, after registering a healthy average growth of 8.8 per cent over the preceding three years. This was driven by a moderation in urban demand as inflation and elevated interest rates weighed on discretionary spending, growth in fixed investments remained muted, and government spending was off to a slow

start due to union and state elections in the first half of 2024- 25.

That said, India's domestic economy remains resilient and its financial system sound to navigate global headwinds. Moreover, proactive monetary and fiscal support are likely to provide further support to growth in Financial Year 2025-26.

2. Opportunities and Threats

Although the company reported a loss this year, it is important to highlight the substantial progress made, successfully reducing the net loss from ₹14.62 lakh in the previous year to ₹3.38 lakh in the current year. With a clear forward-looking vision and confidence in our foundation, we are turning past challenges into new opportunities—paving the way for sustainable growth, operational excellence, and long-term success.

3. Business Overview

We envision a more financially inclusive future, and our company is actively contributing toward making that vision a reality. Our focus on niche and underbanked segments not only promotes financial accessibility but also fosters

economic empowerment. Guided by a well-defined market strategy, strong regulatory compliance, and performance-driven goals, we continue to expand our impact in the financial sector, delivering solutions that are as inclusive as they are effective.

4. Outlook

The NBFC sector is expected to witness continued transformation driven by technology, regulatory reforms, and consolidation. The Company remains optimistic about growth prospects, with a focus on strengthening its underwriting standards, digital processes, and recovery mechanisms. In FY 2025-26, the Company aims to enhance its loan book cautiously, improve asset quality, and target a return to profitability.

5. Financial Performance

During the financial year 2024–25, the Company reported a net loss of ₹3,37,965, which marks a significant improvement compared to the net loss of ₹14,62,240 recorded in the previous year. This positive shift is primarily the result of enhanced operational efficiency, better

cost control, and improved asset quality. The Company also strengthened its recovery mechanisms and adopted a more cautious, focused approach to disbursements, especially in lower-risk segments. While the business has not yet returned to profitability, the substantial reduction in loss reflects the Company's strategic move towards sustainable growth and prudent financial management.

6. Economic Overview

The Indian economy displayed resilience in FY 2024–25, supported by steady GDP growth, improved consumption, and government-led infrastructure spending. Despite global headwinds, inflationary pressures were managed effectively, and the RBI maintained a balanced monetary policy approach. The financial services sector benefited from enhanced liquidity and increasing credit penetration, particularly in underbanked and semi-urban regions.

7. Risks And Concerns

Key risks include credit risk, arising from the potential default of borrowers, and

liquidity risk, which may occur due to mismatches in asset-liability tenures or limited access to funding during periods of market stress.

Interest rate volatility also poses a significant risk, as it can affect net interest margins (NIMs) and borrowing costs. Regulatory risks remain high in the NBFC sector, given the evolving compliance landscape under the supervision of the Reserve Bank of India (RBI) and other regulatory bodies. Any tightening of norms or changes in provisioning requirements could affect profitability and capital adequacy.

8. Internal Control Systems and Their Adequacy

For an NBFC, strong internal control systems are vital to ensure the accuracy, reliability, and integrity of financial reporting, regulatory compliance, and overall operational effectiveness. These systems help mitigate risks such as credit defaults, operational lapses, financial misstatements, and regulatory non-compliance—areas that are particularly critical in the financial services sector.

Our Company has established a robust internal control framework. These controls are designed to safeguard the company's assets, ensure prudent lending practices, and support efficient decision-making. They also help in maintaining high standards of transparency, accountability, and risk management.

9. Human Capital

In the NBFC sector, human capital is a key enabler of growth, compliance, and customer-centric service delivery. It encompasses the skills, knowledge, experience, and commitment of the workforce that directly contribute to the organization's ability to manage financial risk, ensure regulatory compliance, drive operational efficiency, and foster innovation in lending and financial services.

10. Disclosures

For an NBFC, disclosures play a critical role in maintaining transparency, regulatory compliance, and stakeholder confidence. As a financial institution operating under the regulatory purview of the Reserve Bank of India (RBI), the

Company is committed to sharing accurate, timely, and comprehensive information on its financial position, operational performance, risk management practices, and governance framework.

The Company ensures that all material information, including any changes in accounting policies, related party transactions, governance structures, or significant business risks, is communicated transparently and responsibly to all stakeholders through periodic reports, investor updates, regulatory filings, and public disclosures.

11. Cautionary Statement

Certain statements in the Management Discussion and Analysis may constitute forward-looking statements within the meaning of applicable laws and regulations. These statements reflect the Company's current expectations, assumptions, and projections about future events, strategies, and performance, particularly within the context of the NBFC sector.

INDEPENDENT AUDITOR'S REPORT

To

The Members of

Nikki Global Finance Limited,

Report on the Audit of the Financial Statements.

Opinion

We have audited the accompanying financial statements of **Nikki Global Finance Limited** (“the Company”), which comprise the Balance Sheet as at **March 31, 2025**, the Statement of Profit and Loss (including Other Comprehensive Income), its Cash flow statement and the Statement of Changes in Equity for the year then ended and notes to financial statements, including a summary of significant accounting policies and other explanatory information (“herein after referred as financial statements”) being prepared and submitted by company pursuant to the requirement of Regulation 33 of SEBI (Listing Obligation and Disclosure Requirement) Regulations 2015, as amended (the "Listing Regulation”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards as prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rule 2015, as amended (IND AS) and other accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2025 and its loss for the ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that

are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Responsibilities of Management and Those Charged with Governance for the Financial Statement

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future

events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020, issued by the Central Government of India in terms of section 143(11) of the Act, we give in the **Annexure A**, a statement on the matters specified in Para 3 and 4 of the said order, to the extent applicable.

Annexure - 'B' to the Independent Auditor's Report

(The Annexure – 'B' referred to in our Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31st March, 2025)

Report on the Internal Financial Control under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Nikki Global Finance Limited ("the Company") as of 31 March, 2025 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management's Responsibility for internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to

an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations

of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of an authorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2025, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to standalone financial statements for the year ended 31 March 2025:

About the Company:

Nikki Global (CIN No L65999DL1986PLC024493) registered under ROC Delhi incorporated on 13/06/1986. Nikki Global Finance Limited is a comprehensive credit institution that provides a wide range of diversified debt products. Nikki global was incorporated as a high standard credit institution that helps in leveraging the experience of comprehensive practices and local economic development to meet and greet the ever-increasing credit requirements of Indian corporates and individuals. The company is registered under section 45-IA of RBI Act,1934, which is not having CoR classified as NBFC-ICC).

Basis of preparation

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed in the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act, the updated Master Direction – Non-Banking Financial Company – Systemically Important Non Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 ('the NBFC Master Directions'), notification for Implementation of Indian Accounting Standards issued by RBI vide circular RBI/2019-20/170 DOR(NBFC).CC.PD.No.109/22.10.106/2019-20 dated 13 March 2020 ('RBI notification for Implementation of Ind AS') and other applicable RBI circulars/notifications. The Company uses accrual basis of accounting in preparation of financial statements except in case of significant uncertainties. The standalone financial statements are presented in Indian Rupee (INR), which is also the functional currency of the Company. The standalone financial statements have been prepared on a historical cost basis, except for certain financial instruments that are measured at fair value. The financial statements are prepared on a going concern basis as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources.

Presentation of financial statements:

The Company presents its Balance Sheet in the order of liquidity. The Company prepares and presents its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows'. The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only where it has legally enforceable right to offset the recognized amounts and the Company intends to either settle on a net basis or to realize the asset and settle the liability simultaneously as permitted by Ind AS. Similarly, the Company offsets incomes and expenses and reports the same on a net basis where the netting off reflects the substance of the transaction or other events as permitted by Ind AS.

Summary of significant accounting policies:

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

i) Revenue from Operations:

The Company recognizes revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognizes revenue only on satisfactory completion of performance obligations. Revenue is recognized at transaction price is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. Revenue in case of non-cash consideration is recognized at fair value.

Dividend income on equity shares is recognized when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

Income on non-performing assets is recognized in accordance with the provisions of Prudential Norms for Income Recognition prescribed by the Reserve Bank of India and is accounted for in the year of realization.

ii) Current versus non-current classification:

The company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it satisfies any of the following criteria:

- Expected to be realized or intended to be sold or consumed within normal operating cycle.
- Held primarily for the purpose of trading.
- Expected to be realized within twelve months after the reporting date, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle liability for at least twelve months after the reporting date. A liability is treated as current when it satisfies any of the following criteria:
 - Expected to be settled in the company's normal operating cycle;
 - Held primarily for the purpose of trading;
 - Due to be settled within twelve months after the reporting date; or
 - The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.
 - Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments does not affect its classification. Current liabilities include the current portion of non-current financial liabilities. All other liabilities are classified as non-current.

The Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

iii) Use of Estimates and management judgements

The preparation of financial statements in conformity with Indian Accounting Standards (Ind AS) requires management of the company to make judgements, estimates and assumptions that affect the reported amount of revenues, expenses, assets, liabilities and related disclosures concerning the items involved as well as contingent assets and liabilities at the balance sheet date. The estimates and management's judgements are based on previous experience and other factors considered reasonable and prudent in the circumstances. Actual results may differ from these estimates.

iv) Property, Plant & Equipment & Capital work in Progress

Recognition and measurement Property, plant and equipment are tangible items that are held for use in the production or supply for goods and services, rental to others or for administrative purposes and are expected to be used for more than one period. The cost of an item of property, plant and equipment is being recognized as an asset if and only if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The PPE has been stated at cost less accumulated depreciation.

Intangible assets are recognized when it is probable that the future benefits that are attributable to the assets will flow to the Company and the cost of the assets can be measured reliably. Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Depreciation has been provided on WDV Basis Method.

v) Inventories:

The inventories of shares & securities have been valued at lower of cost price or market value as at 31st March, 2025.

vi) Revenue recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Interest -

Income Interest income from a financial asset is recognized when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend Income -

Dividend income is recognized when the Company's right to receive the dividend is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably i.e. in case of interim dividend, on the date of declaration by the Board of Directors; whereas in case of final dividend, on the date of approval by the shareholders.

vii) Expenses: All expenses are accounted for on accrual basis.

viii) Financial Instruments

Financial Asset Classification The company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and contractual cash flow characteristics of the financial asset.

Initial Recognition and Measurement: All financial assets are recognized initially at fair value, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. The financial assets include equity and debt securities, trade and other receivables, loans and advances, cash and bank balances and derivative financial instruments.

Equity Investments: All the investments have been valued at deemed cost. (Note No. 5 to the financial statements)

Loans: Loans have been carried at amortized cost. (Note No. 4 to the financial statements).

- ix) Financial liabilities:** Classification Debt and equity instruments issued by the company are classified as either financial liabilities or as equity in accordance with the substance of the contractual agreements and the definitions of financial liability and equity instrument.

Initial recognition and measurement: The company recognizes financial liability when it becomes a party to the contractual provision of the instrument. All financial liabilities are recognized initially at fair value, for financial liability not subsequently measured at FVTPL, at transaction costs that are directly attributable to the issue of financial liability.

Loans: Other loans classified under financial liability have been carried at amortized cost. (Note no. 13 to the financial statements).

- x) Others:**
- a. Loans and advances are stated net of provisions for non-performing advances. Balances of various parties are subject to confirmations.
 - b. The company has not entered into any lease agreement, therefore, provisions of Indian Accounting Standard-116 on 'Leases' are not applicable.
 - c. To the extent information available, there were no outstanding dues towards small scale or ancillary undertaking as on 31.03.2025.
 - d. During the year under consideration no borrowing cost has capitalized by the company in accordance with the Indian Accounting Standard 23. 'Borrowing Costs' issued by the Institute of Chartered Accountants of India.
 - e. The advance received or given is without any stipulation of board of directors regarding them in nature and period for which they are given or received.

- xi) Taxes:** Provision for tax on income for the year (i.e. Current tax) is made after considering the various Deductions/relieves admissible under the Income Tax Act 1961 as per the normal provisions of the act. Deferred tax assets are recognized as per the conservative approach. Keeping in view the current year losses of the company, net deferred tax liabilities have not been recognized in accordance with Indian Accounting Standard IND AS-12- "Accounting for taxes on income" issued by the Institute of Chartered Accountants of India".

- xii) Provisions:** Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit or loss net of any reimbursement. Provisions are not recognized for future operating losses. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. As mentioned in the notes to account no. 38, the management has stated an amount of Rs. 42.11 lakhs as contingent liability.

Contingent asset is not recognized but disclosed, when possible, asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

- xiii) **Cash flows** are stated using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of incomes and expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.
